

We invite every young woman to make an artistic expression of what she believes, based on the YW values.

We have provided boxes that may be assembled in any fashion to be used as the base for showing what you believe. You may leave the box flat or assemble it all or part way. You may have the lid on or off or hinged or any other way you choose. You may use paper, paint, feathers, rocks, glass, beads fabric—anything you wish to use show symbolically what you believe. We hope you have fun with this project. We are looking for meaningful, creative, symbolic ways to show each other part of our testimonies.

These boxes will be gathered by your Young Women leaders by _____ and displayed on _____ at our Young Women in Excellence program. Every young woman may receive a Personal Progress achievement for completing and displaying her own Belief Box.

Your Belief Box should have a written statement of what the box symbolizes attached to it. The written paper should be one half the size of a regular sheet of paper or smaller. Please use a #12 font or bigger. Mount your typed statement on a heavier sheet of colored paper. Be sure your name and age are on the paper. You may wish to use a scripture or quote to “anchor” your Belief Box, but please add your own statement about what you believe too.

seek learning, even by study and also by faith.”*

and that we need to learn all we can.
