

CERAMIC STATUE ACTIVITY

Let each young woman glaze a ceramic statue of Christ to have in her bedroom. You can order these from the following website:

<http://myweb.cableone.net/loupeck/>

They range in price from \$5.00 - \$ 10.00 each, but oh, so worth it for the girls. You could incorporate the statues into your yearly events like New Beginnings or Young Women in Excellence as table centerpieces. This would help counter the price for the statues, if used later on in the year.

Treats: White cake with coconut frosting (just mix coconut into the white frosting)
