# President's Message

Dawn Russo, Young Women President

*"As you stand as a witness, obey the commandments, and press forward with a steadfastness in Christ," you will never be alone."*

"It is a privilege to stand before you and bear testimony of the Savior and His matchless life. He came to the earth to show us how to live the plan that was authored in heaven—a plan that, if lived, will make us happy. His example showed us the way to return home to our Heavenly Father. No other who has ever lived has been so "steadfast and immovable"

(Mosiah 5:15). He was never distracted. He was focused on carrying out the will of the Father, and He remained true to His divine mission. Indeed it can be said of Him that He was true at all times, in all things, and in all places (see Mosiah 18:9). You are a part of that wondrous plan that was presented in the premortal realms. Your coming to the earth now has been anticipated since the plan was accepted. Your position in time and place is no accident. Your "exceeding faith and good works" (Alma 13:3) then has laid the foundation for what you may accomplish now if you are faithful and obedient. You are God's precious daughters, and you have a great work to do. In order to accomplish your divine mission and live the plan of happiness, you too must be steadfast and immovable "at all times and in all things, and in all places" (Mosiah 18:9)."

~Sister Elaine S Dalton, YW General President, YW Broadcast March 2008
